

TEETH TEAM
543-549
ANLABY ROAD
HULL HU36HP

Good Afternoon

We do hope you are well in these uncertain times.

With the fast evolving news, Teeth Team are following advice and guidance from the Government and PHE (Public Health England) regarding the COVID-19 outbreak.

Teeth Team have taken the decision to suspend all dental assessments from today (Wednesday 18th March). Teeth Team will continually review the current situation and we will be in touch with all our schools at the beginning of the summer term, Monday 20th April, when guidance and advice for the health sector and schools may be different.

To safeguard our children and teaching staff we advise to stop daily toothbrushing within the school setting, with immediate effect. All current toothbrushes need to be disposed of and not sent home with the children on this occasion.

The tooth brush racks will need to be deep cleaned in hot soapy water, dried and then stored ready to be used at a later date. **The racks are not to be thrown away.**

If you feel that a child may be without a toothbrush or toothpaste at home please feel free to give them a tube of toothpaste and a brand new toothbrush to take home with them from your stock.

We will keep you updated on any further information we receive and we fully appreciate your cooperation and support at this difficult time.

Any questions please do not hesitate to contact us on either 07875 078652 or julief@543dentalcentre.co.uk

We hope you all stay safe and healthy and we will see you and the children again in the near future.
